Re: Notice of Permitted *Ex Parte* Contact
CS Docket No. 95-178

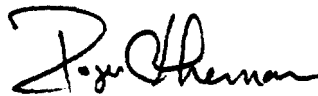

Dear Mr. Caton:

Pursuant to Section 1.1206(a)(2) of the Federal Communications Commission's rules, this is to notify the Commission that at 1:30 p.m. on May 1, 1997, Fred F. Fielding and Lawrence W. Secrest, III of this firm met with Ms. Gretchen Rubin of Chairman Hundt's office to discuss issues raised in the comments and reply comments filed by Paxson Communications Corporation in the above-referenced proceeding. An original and three copies of this notification are attached.

In addition, Ms. Rubin was provided with a copy of the attached, which illustrates the points raised in Paxson's comments regarding the overall effects of a market modification policy that would effectively limit a station's must-carry protection to the portion of its ADI/DMA that is within its Grade B contour.

If any questions arise concerning this notification, please contact the undersigned at (202) 828-4904.

Respectfully submitted,

Roger C. Sherman
